MEANDERING OF CURRENT SAVES COUNTY MONEY

SENATORS WIN IN OPENING GAME AS WILSON LOOKS ON

Surveyor Finds Only Half as Much Sand Will Be Excavated to Make Canal for Diverting Rio Grande.

The county commissioners learned yesterday afternoon that the erratic current of the Rio Grande, which has cost the county heavily, will not be saying to the country. The commissioners, several weeks ago told County Surveyor Pitt Ross to make an estimate of the cost of digging a canal through the sand bar along the east bank of the river north of the Barrels bridge and under the structure. Mr. Ross found at that time that 1,600 cubic yards of sand would have to be removed.

The president began the game by throwing out the first ball to Umpire Billy Evans. With Secretaries Bryan, Lane, Daniels and Garrison, he remained throughout the game and warmly applauded the best plays.

A base on balls and ball, inscribed with the name of President Wilson, the baby grandson of President Wilson, were presented to the president during the game by Manager Griffith of the Washington team.

The game, played in ideal weather, was featured by the pitching of Walter Johnson, who allowed the New York team but two hits, and by Wilson's catch of Clegg's line drive in the fifth with two on bases.

Three of Warhop's four passes, which were followed by hits and sacrifices, resulted in runs. With the bases full in the fifth Cook misjudged Morgan's fly which went for three bases, and Washington scored three runs. Washington scored again in the eighth on Almstrom's hit, errors by High and Maisel and sacrifices by Moeller and Foster.

Then Hooper homered a single over Pennoch's head. Ladole made a desperate try for the ball, but he could not hold it with one hand and Pennoch lost his chance for a no-hit mark.

FIRST WARD TEAM IS LEADING SCHOOL LEAGUE

The First Ward team of the City school league appears to be the most likely candidate for the pennant. The First Warders increased their record yesterday afternoon by defeating the Third ward 23 to 9, at Hopewell field. The Central school beat the Second ward at the same place, 14 to 11.

Owing to the mistake, the fire had a big lead when the firemen arrived. Motocycle Policeman M. P. Shutt, who saw the fire soon after the first alarm was turned in, hurried after the firemen and gave the correct street address.

Flames were leaping high out of the roof. Four streams were turned on them and within a few minutes they had been smothered. The hard task of fighting the smoldering fire in the hay began. This lasted for two hours.

Splendid for Rheumatism.

"I think Chamberlain's Liniment is just what I need for rheumatism," writes Mrs. Densburgh, Elbridge, N. Y. "It has been a great help to me and other members of my family since and since then has always given the best of satisfaction." The quick relief from pain which Chamberlain's Liniment affords is alone worth many times the cost, I believe everywhere.

COPPER WHEELS JAG TO POLICE STATION IN HOTEL PUSH CART

To take a helpless drunk to the jail last night Parrotine Charles Main commanded a push cart used by the Hotel Compton for hauling trunks. Main loaded the man, jag and all, into the cart with the aid of Henry W. Johnson and started for the station pushing the vehicle like a baby carriage. Main's "Black Maria" tickled the crowds as he proceeded through the streets. The jag slept through the journey oblivious of the attention he attracted. At the station he said his name was J. E. Allister.

BEAUTIFUL FIGURE OF ANNETTE KELLERMAN TO BE SEEN AT CRYSTAL

Annette Kellerman, the world's most famous woman swimmer and diver, the fortunate possessor of a superlative figure which has been compared by notable sculptors as the nearest living approach to the Venus de Milo and other classical Greek statues, will be seen at the Crystal theater tomorrow and Saturday, in the spectacular production, "Neptune's Daughter," in marvelous motion pictures.

Miss Kellerman's claim to beauty of face and form, is great historic ability and to being one of the greatest drawing stars of the day, will thus be put to the test in Albuquerque, and if critical Broadway may be accepted will pass the test with high honors. With "Neptune's Daughter" as a vehicle, Miss Kellerman broke every record on Broadway this season at the Globe theater—no mean achievement in the face of strenuous competition.

The Royal Neighbors will hold a regular meeting at 7:30 o'clock to-night at the Knights of Pythias hall.

Jamey Merritt, conductor for the traction company, resigned yesterday to take a position as foreman with the Shufleburger company.
